- 2) Wind your brown yarn around 1 side of the pom pom maker
- 3) With your other side wrap brown on either end and white/cream in the middle as photographed

- 4) Cut the yarn as per the video instructions and tie a strip of yarn securely around the middle. Fluff up your pom pom and give it a haircut.
- 5) Thread some gold yarn or string onto a large darning needle and push it down from top to bottom in the middle. Come back up to the top and tie the two ends together in a knot to form a hanging loop
- 6) Make 3 felt holly leaves using the template below
- 7) Make 3 tiny red pom poms or buy some kids craft ones or use buttons
- 8) Use a hot glue gun to stick the leaves and pomp oms to the top of your pudding
